Message From CEO

At Autolink, our role extends far beyond the mere transaction of lubricants. We are trailblazers in the realm of innovation and excellence, laying the groundwork for transformative solutions. Our commitment goes beyond delivering products; it's a dedication to providing comprehensive solutions that drive our clients' businesses forward, ensuring their sustained success in a dynamic market.

As we encounter novel challenges and opportunities, I am unwaveringly confident that our unwavering commitment to quality and customer satisfaction will consistently set Autolink apart from the competition. Our journey is characterized by a relentless pursuit of excellence, driven by a profound passion to stay at the forefront of technological advancements.

Collectively, we have sculpted a brand that embodies core values of reliability, sustainability, and peak performance. Let's not only maintain but deepen this commitment as we move forward. Embracing change, fostering creativity, and consistently exceeding client expectations are the cornerstones of our continued success.

It's crucial to recognize that every drop of effort invested in our work creates a ripple effect across the industry. The impact extends beyond the surface, shaping the landscape in ways that may not always be immediately visible. As we navigate the future, let's stay inspired by our achievements, stand united in our purpose, and collectively propel Autolink Lubricant to new and unprecedented heights.

It's crucial to recognize that the impact of every drop of effort invested in our work extends far beyond the surface. Each endeavor creates a ripple effect across the industry, shaping the landscape in ways that may not always be immediately visible. As we navigate the future, let's not only stay inspired by our achievements but also stand united in our purpose. It's a collective endeavor to propel Autolink Lubricant to new and unprecedented heights, a journey that requires constant innovation, dedication, and a shared vision.

Moreover, Autolink recognizes the importance of fostering a collaborative and inclusive workplace culture. By prioritizing diversity, equity, and inclusion, we ensure that our team reflects the rich tapestry of perspectives needed for true innovation. By embracing the diversity within our organization, we amplify our capacity to meet the varied needs of our clients and navigate the complexities of a rapidly evolving market. Through this commitment, Autolink not only contributes to industry leadership but also cultivates a workplace where every individual can thrive.

Asim Hussain
CEO,
AutoLink Lubricant

Business Name: AutoLink Lubricant

Industry: Automotive and Industrial Lubricants and Grease

Years of Operation: 10 years

Products and Services:

At AutoLink Lubricant, we offer a comprehensive range of automotive and industrial lubricants and grease to meet the diverse needs of our customers. Our extensive product portfolio includes:

TOTAL

SHELL

PSO

ELCO

ING

CALTEX

PETROMIN

ATTOCK OIL

HASCOL

VELVOLINE

MOBIL

ATLAS COPCO

SINOPEC

FUCHS

Automotive Lubricant:

We provide a wide selection of lubricants specifically designed for vehicles, including engine oils, transmission fluids, brake fluids, and coolant additives. Our automotive lubricants are formulated to enhance performance, protect engines, and prolong the life of automotive components.

Industrial Lubricants:

We supply a range of high-performance lubricants tailored for industrial applications. These include hydraulic oils, gear oils, compressor oils, turbine oils, transformer oils, cutting oils, and specialty greases. Our industrial lubricants are engineered to withstand extreme operating conditions, minimize wear and tear, and optimize equipment performance.

Greases:

We offer various types of greases suitable for automotive and industrial applications. Our greases provide excellent lubrication, corrosion protection, and load-carrying capacity, ensuring smooth and efficient operation of machinery and equipment.
